Describe the arrangements in place during the last financial year for identifying, planning and meeting the training needs of staff employed by the service provider	<p>The care home has a mature training matrix in place to ensure all employees have the appropriate training depending on their job role/requirements.</p> <p>We also use external training companies to ensure our training is upto date with the latest best practice and regulations in the sector. New starters are given a schedule of training courses to complete such as health and safety, food hygiene, and medicine management (if nurse registered)</p>
Describe the arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider	<p>The home has sought to fill vacancies using local people instead of overseas /sponsored staff. On occasion we use recruitment agencies to fill permanent roles and also we are still using agency to cover sickness and sudden staff departures.</p>
