The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	Clients at Brynawel are treated with utmost respect & sensitivity . This is reflected within the Equality & Diversity Policy & Staff H andbook. Clients are allocated a Key Worker & Buddy on admis sion; this is vital to ensuring clients have access to both profess ional & peer support throughout their treatment period. Clients are valued and respected through consistent monitoring, asses sment and practical support during their individual treatment. Needs based assessments and subsequent care plan ensure a ny specific requirements are acted upon. Clients tend to build u p their trust in staff slowly and strongly with ongoing debates an d active encouragement to raise all issues. The identified Ther apist, Nurse, Key Worker, and Buddy are identified according t o need, equality & diversity. The formal 4 weekly reviews with s ervice commissioner, social worker, therapist, key worker, and r esettlement officer also contribute to the client's wellbeing and progress. If clients require spiritual or cultural adjustments e.g. prayer roo m, Halal diet, this is provided. We have an Anglican Chaplain, w ho can provide spiritual support and communion to a client sho uld they request it. Service users complete exit questionnaires. Any issues or comp laints are recorded and discussed at management meeting. Fe edback that raises concerns or complaint is acted upon. Service users are fully involved in identifying outcomes that are meaningful to them. This takes place formally at assessment an d review meetings. Weekly house meetings give the clients opp ortunities to voice any concerns, observations, or requests that they have. We have established a service user reference grou p, to ensure our decisions are fully co-produced from the planni ng and delivery to evaluation of services we deliver. The Servic e User Reference Group has an independent Chair, who is an ex-service user of Brynawel. They provide consultation to the m anagement team and Board. For example, analysis of exist que stionnaires from clients and a new exit fo

The extent to which people feel safe and protected from abuse and neglect.	The Safeguarding policy has been reviewed and ratified this ye ar. All clients admitted to Brynawel have capacity. We have had no safeguarding incidents in the last year. All staff received Safeguarding training in February 2022. We a re currently 77% compliant with safeguarding training. The perc entage compliance is because we have recently appointed 2 ne w staff who are booked to complete the training. All staff have a DBS check prior to employment. Their employm ent history, with an explanation for any gaps, is taken. Two refe rences, including their last employer, are also recorded. Brynawel does not admit individuals who do not have capacity.
The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.	 The grounds and accommodation are very well kept. The han dyman has a schedule of estates work to be carried out. The e state is repaired and maintained in a timely manner. The field a t the back of the estate has been fenced to provide additional s ecurity. Clients have their own single rooms with en-suite shower. The accommodation is inspected quarterly by the RI and any maintenance issues raised in the house meeting weekly and qu ickly resolved.
