Statement of Compliance

The Responsible Individual must prepare the statement of compliance.

CIW have published <u>guidance</u> on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

Set out your statement of compliance in respect to the four well-being areas below.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.

Upon admission to Lindan House, a person centred care plan is developed gradually over the first month of residence, this is do ne by talking with the individual, enabling us to be aware of their views, preferences and needs. This will also include input from any professionals, close family / representatives involved. We hold regular resident forums and individuals are encouraged to participate.

We also encourage open dialogue with family / representatives. Independence is promoted as far as it is possible for each individual, taking into consideration the safety and wellbeing, throug hour risk assessments, all capabilities are assessed, supported and encouraged. The manager has an open door policy and residents are encouraged to be involved with all aspects of dail y living, staff interact well with residents throughout the day ensuring that they are comfortable and feel safe and happy.

The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.

Care plans are reviewed 3 monthly unless any changes in need s are identified in the mean time

Individual observations, daily reports, Staff interaction all serve to monitor each individual on a daily basis.

Initial Care plans for people using the respite and step facilities are completed upon admission using information from families a nd professional bodies involved. In respect of emergency admis sion to the respite bed, the initial care plan is written using as m uch information as possible, and deemed adequate for these s hort periods, however, they are constantly reviewed / updated as an ongoing thing during any one person's stay.

Falls Pathway – in depth risk assessment into the prevention of falls for each individual.

Safeguarding training for all staff and awareness of procedure, regular competencies.

Working closely with professional teams such as District Nurses / dietitian's / CPN's / GP's

DoLs are requested upon admission for every permanent resid ent who has been assessed as not having capacity. When a pe rson is admitted to the health, step up step down bed, the need for DoL's application is discussed between the manager, DoL's assessor and the CPN who is involved with the placement and actioned as necessary.

The extent to which people feel safe and protected from abuse and neglect.

Full complaints procedure.

Safeguarding policy and procedure is in place and is in line with current legislation.

Staff are given full comprehensive training in Safeguarding, competences are carried out regularly and training refreshed. Records are maintained

Falls Pathway

DoLs applications are submitted for each person admitted on a permanent basis who is assessed as not having capacity, pape rwork is stored on care plan files.

Individual Observation,

Open door policy, Whistle Blowing Policy

Regular in-house medication audits.

Staff trained in administration of medication, regular competenc ies in medication form part of supervisions, regular reviews by GP, reviews are currently carried out via phone call and person al visits.

CCTV in operation all around the exterior.

The extent to which people live in accommodation that best supports their wellbeing and achievement of their personal outcomes.

Lindan House is a Victorian building that has been converted to accommodate 21 individuals, each person has their own room with the option to bring in their own furnishings should they so wish and are able to choose the decor. All rooms are registered with CIW. Heating system is serviced and maintained annually. Water is tested quarterly to comply with legionella legislation. Al I en suite and communal bathrooms have regulated hot water t emperature. There is an ongoing programme of maintenance, decoration and repair. When a room is scheduled for redecorat ion or refurbishment, residents are consulted and encouraged to express a preference where able.

The physical environment provides individual and communal space to meet each persons care and support needs. Facilities and equipment are maintained and serviced as per legislation. Staff work hard to ensure residents hobbies, likes and interests are maintained and supported.
